**TASTING NOTES**

Beautiful garnet color and a very expressive nose. The palate presents rose petal, minerals, red fruit, and spice all mingling in harmonious balance. The full mouthfeel and traditional varietal flavors of red raspberry and spice are framed nicely with firm acidity and ever present minerals. Serve by itself or with Italian fare and/or beef dishes. Drink now through 2030.

**VINTAGE NOTES**

One of the rare vintages where the weather cooperated and we were able to harvest all of the fruit when we wanted to instead of being pressured by impending adverse weather. Tremendous wine quality across all of the wines with very few problematic fermentations. Chemistry (pH, TA, sugars) were consistently in the proper ranges and the resulting wines are very ageable with excellent tannin structure.
