

MIDNIGHT CELLARS

2019 TANNAT TITAN

PASO ROBLES
CALIFORNIA

TASTING NOTES

The color is an incredibly dark garnet. The nose is full of ripe plum, cherry, and earth. Flavors of black fruit, dark chocolate, balanced earth, and leather mingle on the palate. Vanilla oak influences and integrates beautifully leading into an amazingly long finish. Drink now through 2035.

ACCOLADE	90 Wine & Spirits Magazine

ABV	15.9%
PRODUCTION	125 cases

VINTAGE NOTES

One of the rare vintages where the weather cooperated and we were able to harvest all of the fruit when we wanted to instead of being pressured by impending adverse weather. Tremendous wine quality across all of the wines with very few problematic fermentations. Chemistry (pH, TA, sugars) were consistently in the proper ranges and the resulting wines are very ageable with excellent tannin structure.
