

Midnight Cellars Winery

2013 FULL MOON

PASO ROBLES

VINTAGE NOTES

2013 went very smoothly for Paso Robles. Although yields were slightly down due to California's second consecutive year in drought, the grapes displayed a beautifully concentrated intensity. There were no major fluctuations this growing season. Without heat spikes or cool stretches, Paso Robles vintners were able to produce wines that displayed richness, balance, and fully mature tannins. The 2013 harvest will be a classic for years to come.

WINEMAKER'S NOTES

Beautifully clean, ripe, and fruity in the nose. Red fruits abound as the wine greets your palate. A wonderfully balanced mouthfeel leads to an amazing array of flavors. Blackberries, spice and stewed red fruit cascade about the tongue. The wine finishes fresh and fruity. This is our ~~shut up~~ please be quiet and drink it wine. Don't study it, don't age it. Buy it, bring it home and drink it with burgers, pizza, spaghetti or just by itself!
