### TASTING NOTES

Wow, what a wine! The color is so dark it's almost black. First whiff off the nose lets you know you're in for a treat. Giant amounts of ripe black and red fruit, spice, leather, and earth. The mouthfeel is amazing with a complex array of blackberry, plum, anise, and cinnamon. The finish goes on forever. Drink now through 2040.

### VINTAGE NOTES

The 2018 vintage saw an almost ideal balance of vine health and stress, as is often the case with the first dry year after a very wet one. The rain came late, delaying the onset of budbreak and the beginning of the growing season. The cool weather continued most of the year, punctuated by a six-week heat wave in July and early August. Temperatures moderated before picking began and harvest proceeded under slightly cooler than normal conditions, producing fruit with intense flavors and balanced acidity.
