### TASTING NOTES

The color is reminiscent of rosewood. The nose is classic of a Bordeaux wine with aromas of violet, smoke, leather, black fruit, and earth. The mouthfeel is rich and full, featuring complex flavors of ripe plum, spice, clove, and black cherry all seamlessly integrated. With a heavenly finish that fades into the next sip. Drink now through 2041.

### VINTAGE NOTES

One of the rare vintages where the weather cooperated and we were able to harvest all of the fruit when we wanted to instead of being pressured by impending adverse weather. Tremendous wine quality across all of the wines with very few problematic fermentations. Chemistry (pH, TA, sugars) were consistently in the proper ranges and the resulting wines are very ageable with excellent tannin structure.
